H. B. Dutton Co.'s Unusual Offer.

"It isn't often that we have faith enough in the medicine put up by other people to be willing to offer to refund the money if it does not cure," said H. B. Dutton Co. to a Middlebury man who dropped into his store, "but we are glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that basis."

The Dr. Howard Company, in order to get a quick introductory sale, authorizes us to sell their regular fifty cent bottles at half-price, 25 cents, and, although we have sold a lot of it, and have guaranteed every package, not one has been brought back as unsatisfactory.

There are sixty doses in a vial that can be carried in the vest pocket or purse, and every one has more medicinal power than a big pill or tablet or a tumbler of mineral water.

We are still selling the specific at half-price, although we cannot tell how long we shall be able to do so.
